The Future is Now!

The 2018 OACP Annual Meeting began yesterday with the Board of Directors meeting taking place.

A special thanks to those delegates and sponsors who were able to partake in the **2018 Torch Run Charity Golf Tournament**, We had a great turnout, fantastic weather and lots of fun, all while raising funds for a worthy cause, our Special Olympians!

Delegates were treated to an exciting Icebreaker Event on the evening of Sunday, June 10, 2018. The social even included and a stunning view of Peninsula Lake.

A thank you to **Axon Public Safety** for sponsoring this event, which allowed delegates to meet, catch up and enjoy the wonderful venue.

A special THANK YOU to our sponsors

We're live tweeting during all sessions!

Remember to include **#OACP18**, **#OACP2018** and **#RealLeadership** in all your tweets.
